Hello Bill and Misty,

Here are some images of the tiles. I hope you can use some of these if the size is acceptable. If not, let me know.

Also, I am working on the notes from today's meeting and will send soon.

I have attached the final layout plan as well. It included Misty's comments for placement and updated on 7/7/17. Let me know if I need to resend.

Thanks for meeting with us today!
